PRICE REDUCED!! Opportunity is knocking in Aikahi Park, as this spacious remodeled home is listed for the first time in 60 years! Fabulous open floor provides a great template for indoor/outdoor entertaining. Designer kitchen and great room open to the refreshing swimming pool that's surrounded by a myriad of tropical flowers and fauna. 3 bedrooms on the main floor accompanied by 2 remodeled bathrooms including a large (Approx. 500 s.f.) workshop that is separated from the existing home by a stylish barn door. The primary suite envelops the entire second floor which is cooled by the refreshing trade winds. This is by far the best value of the homes currently listed in Aikahi Park and this is one of the top
